THE PACKING SEASON

Begins with us, usually about the 15th of March, and continues until the beginning of May, or later, according to the season.

Orders should be sent in *early* to insure prompt attention.

TERMS AND CONDITIONS.

TERMS NET CASH,—with order, or before shipment of stock, unless by special agreement.

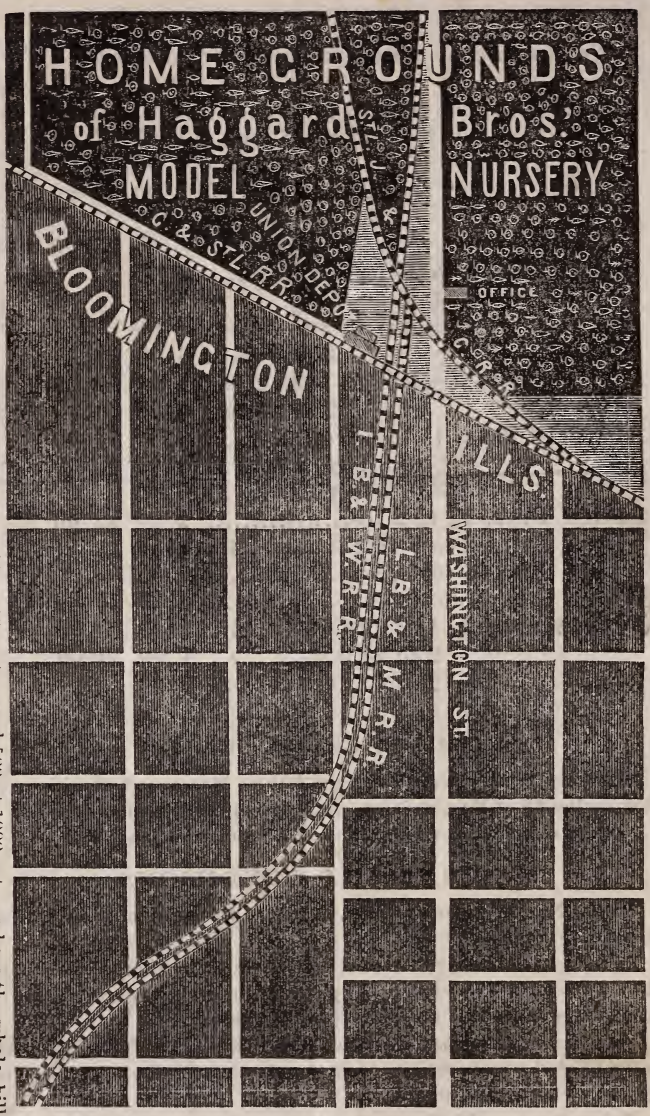
Special attention given to packing, for which we charge cost of material All stock delivered at the Depot or Express office free of charge, after which it is entirely at the risk of the purchaser.

Any error which may occur in filling orders, cheerfully corrected, if notified of the same within *ten days after receipt of goods*, otherwise no claims for deduction allowed.

Prices given in this list are for the quantities *specified*. If a less number is taken the price will be proportionately increased.

We reserve the selection of varieties to ourselves, but will give the purchaser his choice, as far as possible.

Orders should be written plainly, giving full and explicit directions as to route and manner in which stock is to be shipped.



The above cut represents a portion of our Nursery grounds lying within the City limits, only three-quarters of a mile from the Court House. Office and packing grounds on West Washington Street very near the Union Depot, which affords us unusual facilities for shipping to all parts of the country.

Our rule is to furnish 6 of any article at dozen rates, 50 at 100 rates, and 500 at 1000 rates, where the whole bill amounts to fifty dollars or over.
